Follow Cowley Lane past where the riders turn left and you will pick up route marking for sections at the side of the road which are the Cowley Bottom Sections. Please park in the field opposite and follow the course back along the road and through the gateway in the hedge. Sections approx 200 yard walk.

Group 3: Cowley Bottom - 2 Sections - Tree roots and bankings - in charge Rob Charles
Roadside sections on Cowley Lane. Plenty of parking opposite.

Group 4: School Wood - 2 Sections - Big rocks and some bankings - in charge - Pete Rees & Pete Emery

Group 5: One Ash - 3 Sections - Rocky stream - in charge - Mike Ransom

Group 6: Eadons Fields - 6 sections - Rocky stream with some big bankings - in charge - Steve Bisby
From Cowley Bottom Sections, keep following Cowley Lane and the road joins onto Barlow Lees Lane. Follow down the hill and sections are on the left. If going direct from start, please follow riders route marking up Dobbin Lane taking the first right turn onto Barlow Lees Lane. Follow the road for approx 1 mile until you pick up rider route marking. Sections in woodland on right hand side. Plenty of parking.

Group 7: Far Common/Wards - 2 Sections - Rocks, tree roots and bankings - in charge - Phil Granby
Either follow Barlow Lees Lane from Eadons Fields group and Far Common is on the left on a sharp bend. Please keep going past the route marking and turn left at the junction onto Dobbin Lane and there are a few parking spaces at the side of the road. Please do not block the road. Sections up a rough lane with a sign 'unsuitable for motor vehicles' at the bottom.
Follow Dobbin Lane down and return back to the start.

Or the other option is to turn right out of the start and follow Dobbin Lane up the hill and the sections are on the right just on the brow of the hill.
